Description of Contribution

Monetary Monetary contributions are those made in cash or by check, money order or other negotiable instrument. If total in amount column represents aggregate total given that recipient during the month (i.e., more than one contribution), indicate the date and amount of each contribution figured into the total.

For contributions given to incumbent candidates and elected officials, indicate whether the contribution is for the recipient's campaign account or public office account.

In-Kind Donated goods or services qualify as reportable contributions. In-kind contributions include such things as discounts on products or services, free transportation, free or reduced-rate office space, personal services, polling services, professional assistance to campaign managers and help with preparation of political advertising.

Amount or Value of Contribution

If the aggregate amount or value contributed to one recipient (candidate, elected official, agency officer or employee, or political committee) during a calendar month was over \$100 -- and the aggregate contribution was not reported by your lobbyist on his/her monthly report or the aggregate contribution was not made through and reported by your affiliated PAC -- put the total contributed in the Amount or Value column and provide the other required information.

In-Kind Value in-kind contributions at the amount you actually paid for the donated item or service or, if no purchase was made, value them at their fair market value. Fair market value is the amount a well-informed buyer or lessee, willing but not obligated to buy or lease, would pay; and what a well-informed seller, or lessor, willing but not obligated to sell or lease, would accept.
